The NW Ministry Network Women's Department exists to strengthen and develop women in the church for the purpose of bringing Jesus to their communities.

We believe every Christian woman has a ministry calling. Your calling may be in the home, workplace, church, community, or non-profit. Regardless, of where you shine the light of Jesus into the world this is a place to find encouragement and resources for your ministry.

Hebrews 10:24 (NLT) says, *"Let us think of ways to motivate one another to acts of love and good works."*

Every Thursday we invite bloggers to come together to spur one another on in the gifts they have been given. We do that in two ways. You can either submit a blog to be posted as our feature blog of the week or #linkUP at the bottom of our Thursday blog by simply attaching your URL to our page (See instructions below).

Featured Blogger Submission Requirements:

- Limit posts to 500-700 words.
- Write on what you are passionate about.
- Italicize verses.
- Get vulnerable.
- Include your twitter name and your permalink
 - (that will go directly to the post when it is live).
- Make your posts full of sticky statements and quotes that easily copy to Twitter (140 charac.)!

Ready to submit?
